Key Note Workshops

Workshops coming soon...

Women as Leaders

£295

10th September 2008

Hear from women leaders in the UK business arena who have achieved remarkable feats in their relevant fields. Expand your knowledge and contacts by taking part in lively Q&A, discussion and workshop.

Effective Culture Change

£495

11th September 2008

Together, we will explore ways to achieve smooth and successful culture change, looking at ways of enabling leaders to ensure that their followers engage with change and new strategies with enthusiasm.

Your Future, Your Choice!

£199

12th September 2008

Accelerate your success in 2008, learn how to generate self confidence, overcome what's stopping you and discover how to live the life you want.

The Accountability Gap

£295

7th October 2008

Most businesses suffer from Management fatigue, staff under achievement and fear. The consequence is adequate but not outstanding performance, good but unremarkable results. Attend this workshop and find out how to get significantly more energy, effort and success from your current resources.

Followership

£295

20th January 2009

Your business probably is aware of the importance of developing effective and inspirational leaders. But every equation has two sides. Join us to explore how to develop your workforce to become extraordinary followers, in charge of their emotions, open to change, willing to engage.

Developing Hi-Potentials

£495

17th February 2009

To achieve outstanding results its important to get the best from your outstanding talent. Some of the development industry's most experienced professionals will share their ideas, experiences, and 'must do's' in this highly practical and useful workshop.

Transformational Thinking's Key Note Workshops provide up to the minute ideas and insights on **key business issues**.

Expert speakers and case study presenters from a range of organisations are specifically selected to share their knowledge and experience with participants, in an intimate, high impact style.

Our workshops provide a focused and practical way to learn about specific issues facing your business team or organisation.

Possibly the best investment you'll make this year, and certainly the closest you'll get to top flight presenters.

What you can expect

- To take away useful and relevant ideas to implement straight away
- To network with leaders facing the same business issues as you
- To have **your** questions answered by our panel of guest speakers
- To leave feeling energised and motivated to take action
